Southwest District Chapters

As a PRSA Southwest District member, you have the opportunity to network with your peers in 15 chapters across the district. Chapter membership offers you:

- **Professional Growth** - Gain the inside track on new strategies, techniques and trends through local seminars, conferences and meetings — strengthen your skills, broaden your knowledge and advance your career.
- **Networking** - Network with your peers and expand your circle of colleagues and contacts at Chapter events.
- **Professional Status** - Participate in awards programs and take on a leadership role — and gain recognition and respect among your colleagues within your community. Involvement also accelerates your growth in your own organization by developing often hidden skills.
- **Job Search Services** - Be the first to learn of job openings in your area through informal networking or PRSA’s job search services.
